Matt

I heard back from Lam. We will meet you at 10:30 am at the Site. You can update us on what all have been completed and what you have seen so far.

I got a call from Sandy (Harris County) and the CD with the pictures of Rhodia operations is ready. Told them I will pick it up Thursday morning. I will pick that up and then come to the Site. Not sure how many copies they made (I am thinking only 1). Hopefully your computer has a CD/DVD drive and we can download the pictures.
